Resident spotlight

The spotlight this month shines on Miss Betty Wyman. Miss Betty is 91 years young. She and her late husband were blessed with 3 sons, 10 grandchildren, and 12 great grandchildren. They had almost 71 wonderful years together.

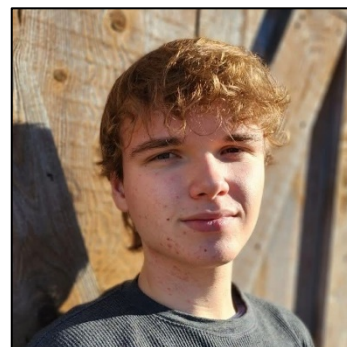

Betty grew up in the Cherry run area, she has lived in the Sligo area most of her life. Betty has always enjoyed cooking, baking, and gardening. She went to work at Clearview when her youngest was in school. She spent 24 years there and loved every minute of it.

Betty loved going for walks and spending time with her family around the table sharing their daily activities. These days Miss Betty enjoys spending time with her family. She loves doing puzzles and listening to Country Western music and Gospel music.

Staff spotlight

Austin Walters is our staff spotlight this month. Austin has been a medication aid here at Edgewood for a few months, and the residents are happy to have him. He grew up in the Mayport area and still lives in the area. Austin likes helping the residents and spending time with them.

When he is not working Austin enjoys spending time at the gym and loves to cook. He is always a happy person to be around, and makes a great addition to our Edgewood Team.
