
We at Penn Highlands Home Medical Equipment seek to provide prompt, courteous, and professional service to our friends and neighbors in the community. We work to provide each of our customers with the exact equipment needed to improve their life experience.

Whether you need a walker, oxygen or other medical equipment, you can get everything you need through Penn Highlands Home Medical Equipment. We have several conveniently located offices. We sell and rent medical equipment throughout Pennsylvania. We also offer medical supplies. Many of the products and services we offer are covered by insurance. Penn Highlands Home Medical Equipment will quickly and affordably meet your medical supply and equipment needs.

If you are searching for a medical supply store, all the durable medical equipment you need can be delivered right to your home in central and western Pennsylvania. Penn Highlands Home Medical Equipment offers medical equipment throughout more than 14 Pennsylvania counties.

Penn Highlands Home Medical Equipment has a proven track record of providing high-quality, convenient medical equipment and supplies for more than 120 years.
