PENN HIGHLANDS ORTHOPEDIC INJURY CLINIC

Hurt Today? See an Orthopedic Specialist Today.

Walk-in Care
No Appointment Necessary

Get prompt care for a recent bone, joint or muscle injury at the Penn Highlands Orthopedic Injury Clinic.

We treat recent injuries such as:

- Sprains and strains
- Suspected broken bones
- Sports-related injuries
- Sudden joint pain
- Tendon and muscle injuries

Our experts provide orthopedic injury care for patients of all ages, from children to older adults. Injuries must have occurred within the past two weeks and not have been previously treated by a health care provider.

On-site X-rays available.

The clinic does not treat concussions, chronic pain, wounds or life-threatening injuries For a serious or life-threatening injury, call 911 or go to the nearest Emergency Department.
