

Tripp Umbach completed an inventory of community resources available in the Penn Highlands service area (using ZIP codes of the service area) utilizing resources identified by internet research, Penn Highlands' internal database and the United Way's 211 First Call for Help community resource database. Please refer to the Community Health Needs Assessment Report to review the detailed community needs.

An inventory of the resources in the Penn Highlands community found that there is at least one and often multiple resources available to meet each identified community health need. The following table meets CHNA community inventory requirements set forth by the IRS. (See Table)
